# EASY WRITING

## Students Learn the Following:

- Semicolon Construction
- Appositive Construction
- Introductory Participial Phrases
- Subordinate Clauses
- Items in a Series
- Compound Sentences
- Either-Or Construction
- Relative Clauses

“ This text is excellent for upper elementary students (Level 1) and for middle/high school students (Level 2). Both levels are included in this reproducible text. ”  
- Dr. Wanda C. Phillips

## Does Dr. Phillips believe in mastery learning?

Dr. Phillips was influenced by Dr. Maxwell Maltz (*Psychocybernetics*) whose study of human behavior included the formation of habits. Maltz found that habits are formed through repetition. Phillips knew that many students need to change their grammar usage and that simply correcting errors is not sufficient to produce change. She realized that students need to **practice correct usage**.

A master teacher, Dr. Phillips also knew that academic behavior, i.e., learning, can be expedited by breaking concepts into discrete skills, teaching the most basic element of a concept first and, then, building on that understanding. In keeping with Dr. Maltz's thinking, her texts provide additional practice of these skills in a review. Important concepts also appear in cumulative reviews and cumulative tests throughout the entire school year.

## How has Dr. Phillips been influenced by her experience as a high school English teacher?

Dr. Phillips believes that grammar should be a focus in the elementary grades. By 8th grade, the emphasis should be literature and writing. However, grammar needs to be expanded. In fact, some students lack the basics. Believing that students need only a ten-minute, daily lesson to keep former grammar concepts fresh and to learn expanded usage and mechanics, Dr. Phillips designed *Easy Grammar Ultimate Series*. These texts provide building-block and cyclical learning, which promotes mastery learning.

#### Sample Page

Author: Dr. Wanda C. Philips

Day 40

#### CAPITALIZATION:

- the cathedral of hagia sophia, located in istanbul, turkey, and once part of the eastern orthodox church, is now a museum.

#### PUNCTUATION:

If the entire sentence is not a direct quotation, place quotation marks only around the required item. However, place a period or a comma within quotation marks.

Ex.— Have you read the article, “Imagine”?  
I have read the article, “Imagine.”

- Amused Jacys mom entitled her short story The Mad Mother

#### PARTS OF SPEECH: PRONOUNS

Remember:

Nominative pronouns can serve as the subject or a predicate nominative of a sentence. Nominative pronouns include **I, he, she, we, they, who, you, and it.**

**Subject:** Who opened the door?

**Predicate Nominative:** The art-contest winner was **he**.

**Proof:** He was the art-contest winner.

Write S if the pronoun serves as a subject; write PN if the pronoun serves as a predicate nominative.

- \_\_\_\_\_ Before lunch in a cafe, they went to a home-supply shop.
  - \_\_\_\_\_ My aunt is she in sandals.

#### SUBJECT-VERB AGREEMENT:

Underline the subject once and the verb or verb phrase twice.

- That group of girls (dance, dances) at professional basketball games.
  - A stroke (result, results) in a sudden loss of brain activity.

#### SENTENCE COMBINING:

- Hannah is a disc jockey.  
She owns her own company.  
Her company is called Roundabout Entertainment.

#### FORMAT:

#1) Capitalization

#2) Punctuation

#3 & #4) Grammar/Usage and Other Concepts

“We just want to thank you for publishing a grammar program that works! Our sixth graders recently completed the language arts portion of our state tests and scored **91%** overall. This is an **increase of 15 percentage points** from last year. **We love your program!**

- 6th Grade Teachers

## In all *Easy Grammar* texts, concepts are introduced, reviewed, expanded, & applied.

For example, direct objects are introduced before the verb unit. They are reintroduced within verbs because students apply them to understand to lie/to lay easily. Students, later, review direct objects within nouns and in the cumulative reviews for both adjectives and adverbs. Direct objects are vital for correct pronoun usage; therefore, they are expanded and applied here, also.

## Easy Grammar | Grade 5

- 53 prepositions
- Concepts expanded
- Unit reviews and unit tests
- Cumulative reviews and cumulative tests
- Emphasis on verbs

**Teacher Edition** \$37.95

**Student Workbook** \$15.95 | **Student Test Booklet** \$6.95

Students use a “hands-on” approach (deleting & marking). Unique strategies help students learn in an easy – yet thorough – way. Using information previously learned to expand concepts promotes **mastery learning** and **excellent results!**

## At what grade level do I place students in *Easy Grammar*?

Place students at grade level. If strong basics are needed for older students, consider *Easy Grammar Plus* before the *Ultimate Series*.

“ My daughter... only missed . . . one on the English portion of her ACT. I am certain that the use of *Easy Grammar* and *Daily GRAMS* is the reason she performed so well. ”  
- P.C., NC

#### What is the difference between *Easy Grammar* & *Daily GRAMS*?

*Easy Grammar* texts **teach** concepts are presented as units.  
*Daily GRAMS* are **review** texts and are designed in a daily-lesson format.

#### Why are both an *Easy Grammar* & a *Daily GRAMS* recommended?

Dr. Phillips found that her *Easy Grammar* approach helped students to understand English. They scored extremely well on standardized tests as well as in class. When Dr. Phillips wrote and added 10-minute *Daily GRAMS* lessons, she found learning to be greatly enhanced. Students performed amazingly, especially in capitalization and punctuation.

#### How many *Easy Grammar* lessons should be completed each day?

Dr. Phillips recommends 2-3 lessons; however, adjust that number to students' needs, etc. She explains, "Our goal is mastery, *not* speed!"

#### Should one lesson per day be completed in *Daily GRAMS* texts?

This program is designed in the format of one lesson per day. Dr. Phillips suggests that you begin each language class with a *Daily GRAMS* lesson. After your students complete each lesson, take time to discuss answers. Then, close that text and move on to your grammar, reading, or writing lesson.

#### I'm using another text series. May I use a *Daily GRAMS* text?

Yes, these daily reviews **promote learning!**

**\*Amazing Growth**

Participants in this study, conducted at an academy in Utah, were students in Grades 3-8 who had never used an *Easy Grammar* teaching text or a *Daily GRAMS: Guided Review Aiding Mastery Skills* review text. Students completed a pretest provided within *Easy Grammar* texts. The pretest was administered the first week of school, prior to use of either series. An identical post-test was administered within the last week of the school year. Both were completed in a classroom setting and were identically graded.
